Welcome

To our Graduates, Family and Friends:

Congratulations on reaching this pivotal moment. The whole world stretches before you. Anything is possible.

Your path from this moment will undoubtedly take unexpected detours. I hope you will allow the lessons learned in and out of the classroom to guide you as you move onward and upward, making your Missouri Statement.

You have invested years learning Missouri State's public affairs mission. It is my greatest hope that you will put that learning into practice; that you will be culturally competent, ethical leaders who are actively engaged in your communities, wherever they may be. I am confident that you will make your university community proud.

Today's ceremony celebrates your considerable accomplishment in completing a degree program at one of the country's best universities. I share your pride and excitement. Your degree — and the skills and experience you acquired while at Missouri State — will serve you well in your careers and lives.

It has been a privilege to have you as part of our community, and Missouri State is better for your time and efforts here. As you take this next step, your involvement at Missouri State is not ending. In many ways, it is just beginning as you transition from being a student to an alumnus. I hope you express pride in your alma mater and come back to visit us on campus.

Good luck, best wishes, and Go Bears!

KATIE TOWNS

DIRECTOR OF HEALTH DEPARTMENT, SPRINGFIELD/GREENE COUNTY, MISSOURI

A Springfield resident since college, Katie Towns landed here after growing up in St. Louis. After completing her Bachelor of Science in sports medicine/athletic training and later a Master of Public Health from Missouri State University, Towns has spent her career in healthcare related fields in non-profit, hospital, and government.

Prior to being named director of public health in July 2021, Towns served as the assistant director at the Springfield-Greene County Health Department. In this role, Towns assisted in leading the department through accreditation as well as an unprecedented effort to develop a regional Community Health Needs Assessment and Community Health Improvement Plan in partnership with local healthcare systems.

Towns was responsible for leading the community through the subsequent Mental Health and Substance Abuse Assessment for Greene County which identified the prevalence of mental illness and barriers to access while also advised on an action plan aimed to improve mental health for all. Overall, Towns is led by a vision to work across sectors to incorporate health as an element of developing Springfield's infrastructure and culture.

1:00 p.m. Ceremony

RODNEY DILLARD

MUSICIAN

Rodney Dillard is a founder, lead singer, composer, and last surviving member of The Dillards, one of the most transformative musical groups to come out of the 1960s and 70s.

Hailing from Salem, Missouri, The Dillards (Rodney Dillard, Doug Dillard, Mitch Jayne, and Dean Webb) are known for helping to bring two brand new music genres to mainstream America: bluegrass (through their unforgettable appearances as “The Darlings” on “The Andy Griffith Show”) and country rock (through iconic albums such as “Wheatstraw Suite,” “Copperfields,” and Rodney’s in-studio and onstage genre-defying innovations).

Rodney is one of the only currently active artists to be featured in three major halls of fame at the same time: the Bluegrass Music Hall of Fame, the Bill Monroe Hall of Fame and Bluegrass Music, and the Country Music Hall of Fame (via special focused exhibit). Rodney has received the Outstanding Missourian Award from the State of Missouri and he, along with his late brother Doug, were the very first inductees into the Missouri Music Hall of Fame.

Rodney and The Dillards influenced major artists such as Elton John, Don Henley, John Paul Jones, Linda Ronstadt, John McEuen, Steve Martin, The Byrds, Buffalo Springfield, and Sam Bush. Their most beloved songs include “Dooley,” “Old Home Place,” and “There is a Time.”

Rodney has always been “the voice” of The Dillards and as the last Dillard standing, he has shared the famous Dillards sound through many film/television roles as well as on national tours with Elton John, Earl Scruggs, The Byrds, and Herb Pedersen.

Ozarks residents will especially remember Rodney’s beloved show at the Echo Hollow Amphitheater in Silver Dollar City, which he and his wife Beverly produced and performed nightly for many years in the 1980s.

Rodney is still performing and recording new music today.

5:00 p.m. Ceremony

GARRETT HAWKINS

PRESIDENT, MISSOURI FARM BUREAU

Garrett Hawkins was first elected the 15th president of Missouri Farm Bureau on December 6, 2020. He is a husband, father, and farmer from Appleton City, Missouri, in St. Clair County. Garrett and his wife, Jennifer, and their children, Adelyn, Colton and Tate are fifth-generation farmers and the third generation in the Hawkins family to own and operate the farm on which they live today. Their primary enterprise is beef cattle production. Agriculture runs deep in their families and spans livestock, row crop and dairy production.

Garrett's professional experience is rooted in service and spans Farm Bureau, state government and agribusiness. Most recently, he served as an account manager for Rosen's Inc., an agricultural chemical distribution company, helping independent ag retailers and their farmer customers in west-central and northwest Missouri.

From 2017 to 2019, Garrett served as deputy director of the Missouri Department of Agriculture. During his tenure, he worked with Governor Parson and Director of Agriculture Chris Chinn to protect and promote the state's number one industry.

Prior to public service, Garrett led Farm Bureau's national lobbying efforts and oversaw the organization's policy development process for nearly 15 years. During his time at Farm Bureau, he served on various committees, including AFBF's Farm Bill Working Group, and worked closely with state Farm Bureau leaders and the American Farm Bureau staff.

Prior to joining the Farm Bureau staff, Garrett was involved in the organization's youth programs, including the Ambassador program, Collegiate Farm Bureau (Missouri State University Chapter) and the summer internship program. Youth leadership development has been a passion throughout his career, as he has worked closely with the Missouri FFA Association to provide advocacy training to high school students.

Garrett received an Agricultural Business degree from Missouri State University. He is a graduate of the Missouri Agricultural Leadership of Tomorrow (ALOT) program. He serves on the organization's board of directors.

In 2019, he was appointed as Regional Vice President by the National Alpha Gamma Rho Fraternity Board of Directors to serve as a liaison to the fraternity's undergraduate chapters in Missouri, Arkansas and Louisiana.

Garrett and his family are members of the St. Clair County Farm Bureau and St. Clair County Cattlemen's Association. He serves on the Ellett Memorial Hospital Board of Directors, the hospital his great uncle and aunt founded in the 1930s. He is a deacon in the First Baptist Church of Appleton City.

Degree Candidates

Candidates who applied by 5:00 p.m. on March 31, 2023 are listed in today's program. Candidates who applied after this application deadline are allowed to participate in the commencement ceremonies but are not listed in the printed program.

SCHOLASTIC HONORS

Special distinction for high scholarship is awarded to certain undergraduate students as follows:

Summa cum laude (with highest honor) for those who have a grade point average of at least 3.90.

Magna cum laude (with great honor) for those who have a grade point average between 3.75 and 3.89.

Cum laude (with honor) for those who have a grade point average between 3.50 and 3.74.

The GPA is based on the lowest of the student's Missouri State cumulative GPA or the student's combined (Missouri State and transfer) cumulative GPA. Students must complete a minimum of 30 undergraduate credit hours prior to graduation at Missouri State University to be eligible for scholastic honors. Students meeting the above GPA criteria at the close of the semester immediately preceding their final semester of college work are honored at commencement ceremonies. The final eligibility of students for scholastic honors is based on credit hour totals and grade point averages at the end of the semester of graduation. Final eligibility is recorded on the University diploma and transcript.

These students are identified by a cordon worn with their academic regalia. The colors designating the honors are: *summa cum laude*, gold; *magna cum laude*, silver; *cum laude*, maroon.

Scholastic honors eligibility for candidates in the Cooperative Engineering Program are based on Missouri University of Science and Technology scholastic honors requirements.

Citizen Scholar Award Recipients 2022-2023

The Board of Governors' Citizen Scholar Award annually recognizes six full-time students who have made significant accomplishments while enrolled at one of the campuses at Missouri State University. Preference will be given to upper class students who have contributed to the University, advanced the University's public affairs mission, have been significantly engaged in extra-curricular accomplishments, and/or in significant service activities in the community.

The Academic Dress

The history of academic dress goes back to the Medieval European universities of the fourteenth century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. In the United States the colleges and universities have standardized the academic dress so that its features are common and uniform throughout the country. The standard dress in the United States is as follows:

The Gown. At Missouri State University, bachelor's degree gowns are maroon and the master's and doctoral degree gowns are black. The pattern varies with the degree held; pointed sleeves for the bachelor's degree; long, closed sleeves with a slit for the arm for the master's degree; and round, open sleeves for the doctoral degree. The doctoral gown is faced down the front with velvet and three bars across the sleeves.

The Hood. Hoods are not worn for the bachelor's degree. The master's hood is shorter than the doctoral hood and lacks the panels of the doctoral hood. Hoods are lined with the colors of the school granting the degree, while the color of the binding or edging of the hood indicates the subject in which the degree was attained. The colors designating the subject of the degree are:

Arts and Letters.....	White
Theology.....	Scarlet
Laws.....	Purple
Medicine.....	Green
Music.....	Pink
Engineering.....	Orange
Library Science.....	Lemon
Philosophy.....	Dark Blue
Science.....	Gold-Yellow
Fine Arts.....	Brown
Education.....	Light Blue
Economics.....	Copper
Physical Education.....	Sage Green
Business.....	Drab
Agriculture.....	Maize
Nursing.....	Apricot
Public Administration.....	Peacock Blue

The Cap. At Missouri State University, bachelor's degree candidates wear a maroon mortarboard.

Members of the Board of Governors are uniformly attired in Governors' robes. The gown is maroon with velvet chevrons and panels. The hood is lined with maroon and white – the colors of Missouri State University.

Academic dress markedly different from the above description indicates a degree from a foreign university.

Degrees Conferred

The University, under the authority of state law, confers the following degrees:

The *Bachelor of Applied Science* degree provides graduates of associate programs the opportunity to enhance and expand their general education and technical core competencies.

The *Bachelor of Arts* degree is designed to give a student a broad background in the liberal arts.

The *Bachelor of Fine Arts* degree is designed to provide sufficient training and experience so that the holder of the degree is qualified for professional work and/or graduate study in the fields of art or theatre.

The *Bachelor of General Studies* degree provides an interdisciplinary degree for students with broad interests and capabilities rather than a focused area of specialization.

The *Bachelor of Music* degree is designed to prepare a student for graduate study and/or as a performing artist and/or as a private teacher in the field of music.

The *Bachelor of Music Education* degree is designed for the training of music teachers.

The *Bachelor of Science* degree is designed to permit a high degree of specialization in one or more fields.

The *Bachelor of Science in Athletic Training* degree is designed to prepare athletic trainers for professional responsibilities and leadership roles in athletic training.

The *Bachelor of Science in Education* degree is designed for the training of teachers.

The *Bachelor of Science in Nursing* degree is designed to prepare registered students to work in any health care setting and to prepare registered nurses for leadership roles in health care facilities.

The *Bachelor of Social Work* degree is designed to prepare professional social workers for generalist practice in the human services, supporting the values of individual self-determination and social justice.

The *Master of Accountancy* degree is designed to prepare graduates for the professional practice of accountancy.

The *Master of Applied Second Language Acquisition* degree provides a solid foundation in second language acquisition theory and practice and qualifies graduates to teach English and other languages in a variety of settings in the United States and abroad.

The *Master of Art Education* degree is designed to provide artists, art teachers, and art education students an opportunity to upgrade their preparation in both professional education and subject matter areas appropriate to their teaching fields.

The *Master of Arts* degree is designed to provide intensive study in the subject matter of an academic field beyond the baccalaureate level and in preparation for study toward the doctorate degree.

The *Master of Arts in Teaching* degree is designed to provide Missouri teacher certification and a graduate degree for qualified students.

The *Master of Arts in Teaching and Learning* degree is designed to help individual teachers improve their teaching, while aiding whole school communities with identifying and responding to the needs or problems in their schools and communities.

The *Master of Athletic Training* degree is a professional degree designed to prepare students to become certified athletic trainers and function as health care providers within an evolving health care delivery system.

The *Master of Business Administration* degree is designed to prepare graduates with expertise in serving the business community, teaching in higher education, or continuing in advanced study.

The *Master of Fine Arts* degree is designed to prepare graduates to be cultural leaders in the fields of visual art and design.

The *Master of Health Administration* degree is designed to provide advanced studies for graduates who wish to further their careers in the administration of health organizations.

The *Master of International Affairs* degree is designed to prepare students for internationally oriented careers in the public, private and non-profit sections.

The *Master of Music* degree is designed to prepare graduates for professional careers in music.

The *Master of Natural and Applied Science* degree is designed to provide those working in an environment where scientific knowledge is a priority the opportunity to expand their knowledge and experiences consistent with their professional goals and objectives.

The *Master of Occupational Therapy* degree is designed to prepare graduates to enter the profession of occupational therapy.

The *Master of Professional Studies* degree is designed to meet the needs of individuals who are seeking professional growth and advancement within their vocations.

The *Master of Public Administration* degree is designed to prepare graduates with expertise in serving as administrators in public and private non-profit agencies.

The *Master of Public Health* degree is designed to prepare graduates to be practitioners, administrators, researchers, educators, and consultants in a wide variety of public health settings.

The *Master of Science* degree is designed to provide intensive study in the subject matter beyond the baccalaureate level as related to professional interest and applicability.

The *Master of Science in Education* degree is designed for advanced study beyond the baccalaureate level for teachers and educators.

The *Master of Science in Nursing* degree is designed to prepare registered nurses for advanced professional responsibilities and leadership roles in health care.

The *Master of Social Work* degree is designed to prepare professionals for advanced social work practice, program/policy planning, and evaluation roles.

The *Specialist in Education* degree is a graduate program designed to prepare graduates to be superintendents or principals in the public schools.

The *Doctor of Audiology* degree is designed to prepare professionals to enter the workplace with a high level of skills and knowledge through intensive academic and clinical experiences.

The *Doctor of Defense and Strategic Studies* is designed to provide knowledge and skills in the field of international security studies.

The *Doctor of Nurse Anesthesia Practice* degree is designed to provide the scientific foundation and clinical training that prepares graduates to be certified registered nurse anesthetists.

The *Doctor of Nursing Practice* degree is designed to prepare advanced practice nurses at the highest clinical level.

The *Doctor of Occupational Therapy* degree is designed to provide post-professional graduate education opportunities for currently practicing occupational therapists.

The *Doctor of Physical Therapy* degree is designed to prepare graduates to enter the profession of physical therapy.

The *Doctor of Psychology* degree is designed to train and develop clinical psychologists to meet the immense mental health challenges that our communities experience today and will continue to face in the future.

Scholarships

The Missouri State University faculty and staff take pride in recognizing the members of the graduating class who have distinguished themselves by their academic achievement and leadership. Many members of the graduating class earned academic or performance scholarships as undergraduates. Funding for many of these scholarships is made possible by alumni and friends of Missouri State University.

Photographs

In respect for the dignity of the commencement program, and in accordance with the fire codes, we ask individuals to remain at their seats during the commencement program. Photographers representing the news media will be permitted on the arena floor prior to the presentation of the candidates. The Grad Team graduation photography is pleased to provide this complimentary service for each graduate who crosses the dais during the commencement ceremony. Go to <http://thegradteam.com/events/> for information about commencement photographs. A link to commencement photograph proofs will also be sent to participating graduates via e-mail. Any questions can be addressed to gradteam@thegradteam.com, 833-4MY-GRAD Monday – Friday 8:00am – 6:00pm EST, or via the website <http://thegradteam.com/contact/>.
