Welcome

To our Graduates, Family and Friends:

Congratulations on reaching this pivotal moment. The whole world stretches before you. Anything is possible.

Your path from this moment will undoubtedly take unexpected detours. I hope you will allow the lessons learned in and out of the classroom to guide you as you move onward and upward, making your Missouri Statement.

You have invested years learning Missouri State's public affairs mission. It is my greatest hope that you will put that learning into practice; that you will be culturally competent, ethical leaders who are actively engaged in your communities, wherever they may be. I am confident that you will make your university community proud.

Today's ceremony celebrates your considerable accomplishment in completing a degree program at one of the country's best universities. I share your pride and excitement. Your degree — and the skills and experience you acquired while at Missouri State — will serve you well in your careers and lives.

It has been a privilege to have you as part of our community, and Missouri State is better for your time and efforts here. As you take this next step, your involvement at Missouri State is not ending. In many ways, it is just beginning as you transition from being a student to an alumnus. I hope you express pride in your alma mater and come back to visit us on campus.

Good luck, best wishes, and Go Bears!

JOHN GOODMAN

ACTOR

John Goodman is an acclaimed actor known for his roles in films, television and theatre, which have led to Emmy, Golden Globe and Screen Actors Guild awards. He has starred in movies such as “The Big Lebowski,” “Raising Arizona,” “O Brother, Where Art Thou?” and “Monsters, Inc.” His television work includes “Roseanne,” “The Conners” and serving as a frequent host of “Saturday Night Live.”

Goodman is a native of Affton, Missouri, who attended Missouri State in the 1970s to play football. An injury cut his sports career short, and he changed his major to drama. John Goodman credits Tent Theatre and the late Howard R. Orms, longtime theatre faculty member, as feeding his passion for his future career.

Goodman graduated in 1975 and moved to New York City. After a slow start in which he said he couldn’t even get a job as a waiter, his career began to take off. His first work was in commercials, voice overs and plays.

He made his film debut with a small role in 1982’s “Eddie Macon’s Run.” His first significant role was in 1986 in “True Stories.” Goodman rose to fame in the role of Dan Conner on the sitcom “Roseanne,” on the air from 1988 to 1997. After that, he was a recognizable character actor. Goodman received a star on the Hollywood Walk of Fame in 2017.

He has been open about problems, such as alcoholism, that followed on the heels of his success and loss of privacy. He got sober in 2007 and has been practicing gratitude ever since.

He has used his celebrity status to help others, including serving as one of the major contributors to rebuilding New Orleans following Hurricane Katrina. Goodman has also supported the American Society for the Prevention of Cruelty to Animals and has contributed to athletics and theatre programs at MSU and his high school alma mater.

He was the chairman of the Onward, Upward campaign, which raised more than \$274 million for scholarships, facilities, faculty endowments and more at Missouri State University.

He is also the namesake donor behind the John Goodman Amphitheatre at Missouri State’s Judith Enyeart Reynolds Art Park. It is the permanent home of Tent Theatre.

Goodman has been married to Annabeth Hartzog since 1989. They have a daughter, Molly Evangeline Goodman.

Governmental Excellence Award Recipient – 1:30 p.m. Ceremony

GABE GORE

CIRCUIT ATTORNEY, CITY OF ST. LOUIS, MISSOURI

Gabriel Gore was sworn in as Circuit Attorney for the City of St. Louis on May 30, 2023. An experienced prosecutor and trial attorney, Mr. Gore's top priorities are to restore the public's confidence in the Circuit Attorney's Office, fight for justice and enhance public safety.

Mr. Gore began his legal career as an Assistant U.S. Attorney in the Office of the U.S. Attorney for the Eastern District of Missouri. He later served as Assistant Special Counsel in the Office of Special Counsel John C. Danforth, who was charged by the Attorney General of the United States to review the events surrounding the assault on the Branch Davidian compound in Waco, Texas. Mr. Gore was a law clerk to the Honorable John R. Gibson of the Eight Circuit U.S. Court of Appeals in St. Louis, Missouri.

Mr. Gore has been a practicing attorney for nearly 30 years. Prior to his appointment as Circuit Attorney, he was a partner with the Dowd Bennett law firm, where he tried complex civil and criminal cases. Earlier in his career, he was a partner at Bryan Cave LLP and an associate at Williams & Connolly LLP. Mr. Gore is a graduate of Parkway South High School, Missouri State University and the University of Chicago Law School.

Mr. Gore's passion is service to the community. He most recently served on the Missouri State University Board of Governors and the boards of Forest Park Forever and the St. Louis Community Foundation. He was gubernatorial appointee to the Ferguson Commission, which was charged with making recommendations to move the St. Louis community forward following the unrest in Ferguson, MO in 2014. He was a founding member of KIPP St. Louis Public Charter Schools.

SCHOLASTIC HONORS

Special distinction for high scholarship is awarded to certain undergraduate students as follows:

Summa cum laude (with highest honor) for those who have a grade point average of at least 3.90.

Magna cum laude (with great honor) for those who have a grade point average between 3.75 and 3.89.

Cum laude (with honor) for those who have a grade point average between 3.50 and 3.74.

The GPA is based on the lowest of the student's Missouri State cumulative GPA or the student's combined (Missouri State and transfer) cumulative GPA. Students must complete a minimum of 30 undergraduate credit hours prior to graduation at Missouri State University to be eligible for scholastic honors. Students meeting the above GPA criteria at the close of the semester immediately preceding their final semester of college work are honored at commencement ceremonies. The final eligibility of students for scholastic honors is based on credit hour totals and grade point averages at the end of the semester of graduation. Final eligibility is recorded on the University diploma and transcript.

These students are identified by a cordon worn with their academic regalia. The colors designating the honors are: *summa cum laude*, gold; *magna cum laude*, silver; *cum laude*, maroon.

Scholastic honors eligibility for candidates in the Cooperative Engineering Program are based on Missouri University of Science and Technology scholastic honors requirements.

The Academic Dress

The history of academic dress goes back to the Medieval European universities of the fourteenth century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. In the United States the colleges and universities have standardized the academic dress so that its features are common and uniform throughout the country. The standard dress in the United States is as follows:

The Gown. At Missouri State University, bachelor's degree gowns are maroon and the master's and doctoral degree gowns are black. The pattern varies with the degree held; pointed sleeves for the bachelor's degree; long, closed sleeves with a slit for the arm for the master's degree; and round, open sleeves for the doctoral degree. The doctoral gown is faced down the front with velvet and three bars across the sleeves.

The Hood. Hoods are not worn for the bachelor's degree. The master's hood is shorter than the doctoral hood and lacks the panels of the doctoral hood. Hoods are lined with the colors of the school granting the degree, while the color of the binding or edging of the hood indicates the subject in which the degree was attained. The colors designating the subject of the degree are:

Arts and Letters.....	White
Theology.....	Scarlet
Laws.....	Purple
Medicine.....	Green
Music.....	Pink
Engineering.....	Orange
Library Science.....	Lemon
Philosophy.....	Dark Blue
Science.....	Gold-Yellow
Fine Arts.....	Brown
Education.....	Light Blue
Economics.....	Copper
Physical Education.....	Sage Green
Business.....	Drab
Agriculture.....	Maize
Nursing.....	Apricot
Public Administration.....	Peacock Blue

The Cap. At Missouri State University, bachelor's degree candidates wear a maroon mortarboard.

Members of the Board of Governors are uniformly attired in Governors' robes. The gown is maroon with velvet chevrons and panels. The hood is lined with maroon and white – the colors of Missouri State University.

Academic dress markedly different from the above description indicates a degree from a foreign university.

Degrees Conferred

The University, under the authority of state law, confers the following degrees:

The *Bachelor of Applied Science* degree provides graduates of associate programs the opportunity to enhance and expand their general education and technical core competencies.

The *Bachelor of Arts* degree is designed to give a student a broad background in the liberal arts.

The *Bachelor of Fine Arts* degree is designed to provide sufficient training and experience so that the holder of the degree is qualified for professional work and/or graduate study in the fields of art or theatre.

The *Bachelor of General Studies* degree provides an interdisciplinary degree for students with broad interests and capabilities rather than a focused area of specialization.

The *Bachelor of Music* degree is designed to prepare a student for graduate study and/or as a performing artist and/or as a private teacher in the field of music.

The *Bachelor of Music Education* degree is designed for the training of music teachers.

The *Bachelor of Science* degree is designed to permit a high degree of specialization in one or more fields.

The *Bachelor of Science in Athletic Training* degree is designed to prepare athletic trainers for professional responsibilities and leadership roles in athletic training.

The *Bachelor of Science in Education* degree is designed for the training of teachers.

The *Bachelor of Science in Nursing* degree is designed to prepare students to work in any health care setting and to prepare registered nurses for leadership roles in health care facilities.

The *Bachelor of Social Work* degree is designed to prepare professional social workers for generalist practice in the human services, supporting the values of individual self-determination and social justice.

The *Master of Accountancy* degree is designed to prepare graduates for the professional practice of accountancy.

The *Master of Applied Second Language Acquisition* degree provides a solid foundation in second language acquisition theory and practice and qualifies graduates to teach English and other languages in a variety of settings in the United States and abroad.

The *Master of Art Education* degree is designed to provide artists, art teachers, and art education students an opportunity to upgrade their preparation in both professional education and subject matter areas appropriate to their teaching fields.

The *Master of Arts* degree is designed to provide intensive study in the subject matter of an academic field beyond the baccalaureate level and in preparation for study toward the doctorate degree.

The *Master of Arts in Teaching* degree is designed to provide Missouri teacher certification and a graduate degree for qualified students.

The *Master of Arts in Teaching and Learning* degree is designed to help individual teachers improve their teaching, while aiding whole school communities with identifying and responding to the needs or problems in their schools and communities.

The *Master of Athletic Training* degree is a professional degree designed to prepare students to become certified athletic trainers and function as health care providers within an evolving health care delivery system.

The *Master of Business Administration* degree is designed to prepare graduates with expertise in serving the business community, teaching in higher education, or continuing in advanced study.

The *Doctor of Occupational Therapy* degree is designed to provide post-professional graduate education opportunities for currently practicing occupational therapists.

The *Doctor of Physical Therapy* degree is designed to prepare graduates to enter the profession of physical therapy.

The *Doctor of Psychology* degree is designed to train and develop clinical psychologists to meet the immense mental health challenges that our communities experience today and will continue to face in the future.

Scholarships

The Missouri State University faculty and staff take pride in recognizing the members of the graduating class who have distinguished themselves by their academic achievement and leadership. Many members of the graduating class earned academic or performance scholarships as undergraduates. Funding for many of these scholarships is made possible by alumni and friends of Missouri State University.

Photographs

In respect for the dignity of the commencement program, and in accordance with the fire codes, we ask individuals to remain at their seats during the commencement program. Photographers representing the news media will be permitted on the arena floor prior to the presentation of the candidates. The Grad Team graduation photography is pleased to provide this complimentary service for each graduate who crosses the dais during the commencement ceremony. Go to <http://thegradteam.com/events/> for information about commencement photographs. A link to commencement photograph proofs will also be sent to participating graduates via e-mail. Any questions can be addressed to gradteam@thegradteam.com, 833-4MY-GRAD Monday – Friday 8:00am – 6:00pm EST, or via the website <http://thegradteam.com/contact/>.
