## *Welcome*

**T**o our Graduates, Family and Friends:

Congratulations on reaching this important moment. Having completed your college experience in a world gripped by pandemic, you have undoubtedly overcome substantial obstacles to get here. You are resilient. I am proud of you as are the many family and friends gathered to recognize you on this special day.

You now stand at the precipice of the next chapter in your life. The whole world stretches before you. Anything is possible.

Your path from this moment will undoubtedly take unexpected detours. I hope you will allow the lessons learned in and out of the classroom to guide you as you move onward and upward, making your Missouri Statement.

You have invested years learning Missouri State's public affairs mission. It is my greatest hope that you will put that learning into practice; that you will be culturally competent, ethical leaders who are actively engaged in your communities, wherever they may be. I am confident that you will make your university community proud.

Today's ceremony celebrates your considerable accomplishment in completing a degree program at one of the country's best universities. I share your pride and excitement. Your degree—and the skills and experience you acquired while at Missouri State—will serve you well in your careers and lives.

It has been a privilege to have you as part of our community, and Missouri State is better for your time and efforts here. As you take this next step, your involvement at Missouri State is not ending. In many ways, it is just beginning as you transition from being a student to an alumnus. I hope you express pride in your alma mater and come back to visit us on campus.

Good luck, best wishes, and Go Bears!

A handwritten signature in blue ink that reads "Clif Smart III". The signature is fluid and cursive.

## SCHOLASTIC HONORS

Special distinction for high scholarship is awarded to certain undergraduate students as follows:

*Summa cum laude* (with highest honor) for those who have a grade point average of at least 3.90.

*Magna cum laude* (with great honor) for those who have a grade point average between 3.75 and 3.89.

*Cum laude* (with honor) for those who have a grade point average between 3.50 and 3.74.

The GPA is based on the lowest of the student's Missouri State cumulative GPA or the student's combined (Missouri State and transfer) cumulative GPA. Students must complete a minimum of 30 undergraduate credit hours prior to graduation at Missouri State University to be eligible for scholastic honors. Students meeting the above GPA criteria at the close of the semester immediately preceding their final semester of college work are honored at commencement ceremonies. The final eligibility of students for scholastic honors is based on credit hour totals and grade point averages at the end of the semester of graduation. Final eligibility is recorded on the University diploma and transcript.

These students are identified by a cordon worn with their academic regalia. The colors designating the honors are: *summa cum laude*, gold; *magna cum laude*, silver; *cum laude*, maroon.

Scholastic honors eligibility for candidates in the Cooperative Engineering Program are based on Missouri University of Science and Technology scholastic honors requirements. The Missouri University of Science and Technology does not use honors cordons for scholastic honors recognition.

### **DR. MARK SMITH**

**D**r. Mark Smith became Dean of the McQueary College of Health and Human Services at Missouri State in 2019. Prior to joining the MSU family he spent 15 years at the University of Northern Colorado, where he was promoted to the rank of Professor and in 2014 became the Associate Dean in the College of Natural and Health Sciences.

He completed a Bachelor's of Science degree with Qualified Teacher Status in Physical Education in London, England in 1996. He then moved to Western Carolina University in 1997, in pursuit of a Master's degree in Physical Education. Three years later he headed south to continue his training in Physical Education and Sport Instruction at the University of Georgia, earning his Doctorate in 2004.

Throughout his academic and personal life, many of Mark's endeavors have centered on teaching, sport, coaching, and leadership. During his quest for understanding, Mark has continued to research and examine the role of teachers in educational settings, the pathways to expertise in coaching, and the importance of physical activity. A personal highlight of his research career included conducting a 9-month life history research study for his dissertation with former Florida State University Head Football Coach, Bobby Bowden.

Mark has also been focused on coaching rugby at the Men and Women's Collegiate Club Rugby level at four institutions. Arguably the most notable on-field successes occurred in 2005 and 2006, with appearances in two National Championships and a title win in 2005. Additionally, Mark acted as a consultant for USA Rugby, the USA Women's Rugby National Team, and served as an Assistant Coach for the USA Women's U-20 Rugby team in 2014-2015. Currently much of his free time is spent as a soccer dad transport driver for Trevor (12) and Hadley (10).

## The Academic Dress

The history of academic dress goes back to the Medieval European universities of the fourteenth century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. In the United States the colleges and universities have standardized the academic dress so that its features are common and uniform throughout the country. The standard dress in the United States is as follows:

*The Gown.* At Missouri State University, bachelor's degree gowns are maroon and the master's and doctoral degree gowns are black. The pattern varies with the degree held; pointed sleeves for the bachelor's degree; long, closed sleeves with a slit for the arm for the master's degree; and round, open sleeves for the doctoral degree. The doctoral gown is faced down the front with velvet and three bars across the sleeves.

*The Hood.* Hoods are not worn for the bachelor's degree. The master's hood is shorter than the doctoral hood and lacks the panels of the doctoral hood. Hoods are lined with the colors of the school granting the degree, while the color of the binding or edging of the hood indicates the subject in which the degree was attained. The colors designating the subject of the degree are:

Arts and Letters.....	White
Theology.....	Scarlet
Laws.....	Purple
Medicine.....	Green
Music.....	Pink
Engineering.....	Orange
Library Science.....	Lemon
Philosophy.....	Dark Blue
Science.....	Gold-Yellow
Fine Arts.....	Brown
Education.....	Light Blue
Economics.....	Copper
Physical Education.....	Sage Green
Business.....	Drab
Agriculture.....	Maize
Nursing.....	Apricot
Public Administration.....	Peacock Blue

*The Cap.* At Missouri State University, bachelor's degree candidates wear a maroon mortarboard.

Members of the Board of Governors are uniformly attired in Governors' robes. The gown is maroon with velvet chevrons and panels. The hood is lined with maroon and white – the colors of Missouri State University.

Academic dress markedly different from the above description indicates a degree from a foreign university.
