Welcome

To our Graduates, Family and Friends:

Congratulations on reaching this important moment. Having completed your college experience in a world gripped by pandemic, you have undoubtedly overcome substantial obstacles to get here. You are resilient. I am proud of you as are the many family and friends gathered to recognize you on this special day.

You now stand at the precipice of the next chapter in your life. The whole world stretches before you. Anything is possible.

Your path from this moment will undoubtedly take unexpected detours. I hope you will allow the lessons learned in and out of the classroom to guide you as you move onward and upward, making your Missouri Statement.

You have invested years learning Missouri State's public affairs mission. It is my greatest hope that you will put that learning into practice; that you will be culturally competent, ethical leaders who are actively engaged in your communities, wherever they may be. I am confident that you will make your university community proud.

Today's ceremony celebrates your considerable accomplishment in completing a degree program at one of the country's best universities. I share your pride and excitement. Your degree — and the skills and experience you acquired while at Missouri State — will serve you well in your careers and lives.

It has been a privilege to have you as part of our community, and Missouri State is better for your time and efforts here. As you take this next step, your involvement at Missouri State is not ending. In many ways, it is just beginning as you transition from being a student to an alumnus. I hope you express pride in your alma mater and come back to visit us on campus.

Good luck, best wishes, and Go Bears!

A handwritten signature in blue ink that reads "Clif Smart III". The signature is written in a cursive style.

Clif Smart
President

Order of Service

PRELUDE

Mr. Fone Bone Mintzer
Missouri State University Jazz Ensemble I,
Conducted by Randy Hamm

Olan Forrest Zeiler
Isabelle Chrisara Zurcher

SCHOLASTIC HONORS

Special distinction for high scholarship is awarded to certain undergraduate students as follows:

Summa cum laude (with highest honor) for those who have a grade point average of at least 3.90.

Magna cum laude (with great honor) for those who have a grade point average between 3.75 and 3.89.

Cum laude (with honor) for those who have a grade point average between 3.50 and 3.74.

The GPA is based on the lowest of the student's Missouri State cumulative GPA or the student's combined (Missouri State and transfer) cumulative GPA. Students must complete a minimum of 30 undergraduate credit hours prior to graduation at Missouri State University to be eligible for scholastic honors. Students meeting the above GPA criteria at the close of the semester immediately preceding their final semester of college work are honored at commencement ceremonies. The final eligibility of students for scholastic honors is based on credit hour totals and grade point averages at the end of the semester of graduation. Final eligibility is recorded on the University diploma and transcript.

These students are identified by a cordon worn with their academic regalia. The colors designating the honors are: *summa cum laude*, gold; *magna cum laude*, silver; *cum laude*, maroon.

Scholastic honors eligibility for candidates in the Cooperative Engineering Program are based on Missouri University of Science and Technology scholastic honors requirements.

SUMMA CUM LAUDE

Citizen Scholar Award Winners 2021-2022

The Board of Governors' Citizen Scholar Award annually recognizes six full-time students who have made significant accomplishments while enrolled at one of the campuses at Missouri State University. Preference will be given to upper class students who have contributed to the University, advanced the University's public affairs mission, have been significantly engaged in extra-curricular accomplishments, and/or in significant service activities in the community.

9:00 a.m. Ceremony

DR. FRANK A. EINHELLIG

PROVOST, MISSOURI STATE UNIVERSITY

Dr. Einhellig has served as University Provost and Chancellor of the Mountain Grove campus for the past eleven years. As the chief academic officer, Dr. Einhellig has had oversight for the instruction, research and service planning and functions of the seven academic colleges, the graduate college, and the library.

He joined Missouri State University in August 1992 as the Associate Vice President of Graduate Studies and Research, a title that transitioned to the Associate Vice President for Academic Affairs and Dean of the Graduate College in 1994. Dr. Einhellig was instrumental in growing Missouri State graduate education from a few degrees to the many degrees and certificates we have today. Those offerings now include several professional doctorate degrees.

Dr. Einhellig received his PhD in Botany from the University of Oklahoma in 1969, and subsequently joined the biology faculty of the University of South Dakota. Frank was Chair of Biology at the University of South Dakota prior to coming to Missouri State University.

As a plant physiologist and physiological ecologist, Dr. Einhellig is internationally recognized for his research on plant-produced chemicals that influence the growth and development of other plants. He has authored over fifty science journal articles and book chapters. His research emphasized trying to understand the physiological mechanisms of action of these chemicals as well as their role in weed-crop interactions. He has been an invited speaker on this research in over twenty international meetings and symposia.

Dr. Einhellig is a member of Phi Delta Kappa, Phi Kappa Phi, and Golden Key honorary societies, as well as Sigma Xi, the International Society of Chemical Ecologists, and other professional organizations.

1:00 p.m. Ceremony

DR. JIM BAKER

VICE PRESIDENT FOR COMMUNITY AND GLOBAL PARTNERSHIPS

Dr. Jim Baker is Vice President for Community and Global Partnerships at Missouri State University. Units reporting to Dr. Baker include the Office of China Programs, Office of Research Administration, Broadcast Services (Ozarks Public Television and KSMU Radio), the Roy Blunt Jordan Valley Innovation Center (which includes the Center for Applied Science and Engineering, the Center for Biomedical and Life Sciences), and the Robert D. Plaster Center for Free Enterprise and Business Development. Dr. Baker is also involved in developing IDEA Commons, Missouri State University's urban innovation park located in Springfield's center city.

Dr. Baker currently serves on the boards of the Missouri Technology Corporation and Springfield Innovation, Inc.

In September 2012, Dr. Baker received the China National Friendship Award. The award is the highest honor that the Chinese government confers to foreign experts who have made outstanding contributions to China.

Dr. Baker received his B.A. in Sociology and his Masters in Public Administration degrees from Boise State University, Idaho. He received his Ph.D. in Education from the University of Idaho.

5:00 p.m. Ceremony – Honorary Doctorate

DR. GLENN COLTHARP

Dr. Glenn Coltharp is ending his fortieth year in the field of Education. At the higher education level, Dr. Coltharp has served as President and Vice President of Academic Affairs at Crowder College. Before his time at Crowder College, he previously served as Dean of the School of Education, Associate Dean of the School of Education, Head of the Department of Teacher Education, and Professor of Teacher Education at Missouri Southern State University.

Before coming to the higher education level, he served at the K-12 level as superintendent of schools, assistant superintendent, middle school principal, elementary principal, and the Principal of the Missouri State School for Severely Handicapped. As a classroom teacher, Dr. Coltharp has served as a kindergarten, second grade, and fourth grade teacher.

Dr. Coltharp received a Bachelor of Science in Elementary Education, a Master of Science in Elementary School Administration, and a Specialist in Education in School Administration, all from Pittsburg State University. He received his doctorate degree in School Administration from Kansas State University.

Dr. Coltharp has served on over twenty elected and appointed, professional and community, boards at the local and state level. Dr. Coltharp's career in the profession was recently honored through resolutions on the floor of the Missouri House of Representatives and the Missouri Senate.

Dr. Coltharp is married to Dr. Hazel Coltharp, Professor in the Mathematics Department at Pittsburg State University. Together, they have two children, Dr. Jean Coltharp, an Associate Professor in the Mathematics Department at Missouri Southern State University and Ben, a High School Math Teacher at Carl Junction High School.

The Academic Dress

The history of academic dress goes back to the Medieval European universities of the fourteenth century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. In the United States the colleges and universities have standardized the academic dress so that its features are common and uniform throughout the country. The standard dress in the United States is as follows:

The Gown. At Missouri State University, bachelor's degree gowns are maroon and the master's and doctoral degree gowns are black. The pattern varies with the degree held; pointed sleeves for the bachelor's degree; long, closed sleeves with a slit for the arm for the master's degree; and round, open sleeves for the doctoral degree. The doctoral gown is faced down the front with velvet and three bars across the sleeves.

The Hood. Hoods are not worn for the bachelor's degree. The master's hood is shorter than the doctoral hood and lacks the panels of the doctoral hood. Hoods are lined with the colors of the school granting the degree, while the color of the binding or edging of the hood indicates the subject in which the degree was attained. The colors designating the subject of the degree are:

Arts and Letters.....	White
Theology.....	Scarlet
Laws.....	Purple
Medicine.....	Green
Music.....	Pink
Engineering.....	Orange
Library Science.....	Lemon
Philosophy.....	Dark Blue
Science.....	Gold-Yellow
Fine Arts.....	Brown
Education.....	Light Blue
Economics.....	Copper
Physical Education.....	Sage Green
Business.....	Drab
Agriculture.....	Maize
Nursing.....	Apricot
Public Administration.....	Peacock Blue

The Cap. At Missouri State University, bachelor's degree candidates wear a maroon mortarboard.

Members of the Board of Governors are uniformly attired in Governors' robes. The gown is maroon with velvet chevrons and panels. The hood is lined with maroon and white – the colors of Missouri State University.

Academic dress markedly different from the above description indicates a degree from a foreign university.

Degrees Conferred

The University, under the authority of state law, confers the following degrees:

The *Bachelor of Applied Science* degree provides graduates of associate programs the opportunity to enhance and expand their general education and technical core competencies.

The *Bachelor of Arts* degree is designed to give a student a broad background in the liberal arts.

The *Bachelor of Fine Arts* degree is designed to provide sufficient training and experience so that the holder of the degree is qualified for professional work and/or graduate study in the fields of art or theatre.

The *Bachelor of General Studies* degree provides an interdisciplinary degree for students with broad interests and capabilities rather than a focused area of specialization.

The *Bachelor of Music* degree is designed to prepare a student for graduate study and/or as a performing artist and/or as a private teacher in the field of music.

The *Bachelor of Music Education* degree is designed for the training of music teachers.

The *Bachelor of Science* degree is designed to permit a high degree of specialization in one or more fields.

The *Bachelor of Science in Athletic Training* degree is designed to prepare athletic trainers for professional responsibilities and leadership roles in athletic training.

The *Bachelor of Science in Education* degree is designed for the training of teachers.

The *Bachelor of Science in Nursing* degree is designed to prepare registered students to work in any health care setting and to prepare registered nurses for leadership roles in health care facilities.

The *Bachelor of Social Work* degree is designed to prepare professional social workers for generalist practice in the human services, supporting the values of individual self-determination and social justice.

The *Master of Accountancy* degree is designed to prepare graduates for the professional practice of accountancy.

The *Master of Applied Second Language Acquisition* degree provides a solid foundation in second language acquisition theory and practice and qualifies graduates to teach English and other languages in a variety of settings in the United States and abroad.

The *Master of Art Education* degree is designed to provide artists, art teachers, and art education students an opportunity to upgrade their preparation in both professional education and subject matter areas appropriate to their teaching fields.

The *Master of Arts* degree is designed to provide intensive study in the subject matter of an academic field beyond the baccalaureate level and in preparation for study toward the doctorate degree.

The *Master of Arts in Teaching* degree is designed to provide Missouri teacher certification and a graduate degree for qualified students.

The *Master of Arts in Teaching and Learning* degree is designed to help individual teachers improve their teaching, while aiding whole school communities with identifying and responding to the needs or problems in their schools and communities.

The *Master of Athletic Training* degree is a professional degree designed to prepare students to become certified athletic trainers and function as health care providers within an evolving health care delivery system.

The *Master of Business Administration* degree is designed to prepare graduates with expertise in serving the business community, teaching in higher education, or continuing in advanced study.

The *Master of Fine Arts* degree is designed to prepare graduates to be cultural leaders in the fields of visual art and design.

The *Doctor of Nursing Practice* degree is designed to prepare advanced practice nurses at the highest clinical level.

The *Doctor of Physical Therapy* degree is designed to prepare graduates to enter the profession of physical therapy.

Scholarships

The Missouri State University faculty and staff take pride in recognizing the members of the graduating class who have distinguished themselves by their academic achievement and leadership. Many members of the graduating class earned academic or performance scholarships as undergraduates. Funding for many of these scholarships is made possible by alumni and friends of Missouri State University.

Photographs

In respect for the dignity of the commencement program, and in accordance with the fire codes, we ask individuals to remain at their seats during the commencement program. Photographers representing the news media will be permitted on the arena floor prior to the presentation of the candidates. The Grad Team graduation photography is pleased to provide this complimentary service for each graduate who crosses the dais during the commencement ceremony. Go to <http://thegradteam.com/events/> for information about commencement photographs. A link to commencement photograph proofs will also be sent to participating graduates via e-mail. Any questions can be addressed to gradteam@thegradteam.com, 833-4MY-GRAD Monday – Friday 8:00am – 6:00pm EST, or via the Web site <http://thegradteam.com/contact/>.
