Welcome

Dear Graduates, Family and Friends:

It gives me great pleasure to congratulate you on this momentous milestone. Your dedication, hard work, and sacrifice have brought you this well-deserved success.

As you step into the next chapter of your life and head out into the world full of possibilities, remember to embrace each experience with an open heart and mind. I hope the valuable lessons you've learned in and out of the classroom will guide you to make your Missouri Statement in whatever path you choose.

No matter what you do or where you go, continue living out our public affairs mission. Strive to be ethical leaders who respect and engage with those of other cultures and take the time to better your community. As Nelson Mandela once said, "Education is the most powerful weapon which you can use to change the world." I'm confident you'll make a positive impact just like the thousands of alumni who came before you.

I celebrate with you and your loved ones today as you complete your degree and become a proud graduate of this university. Thank you for trusting us with your education. It's been a privilege to have you as a MO State Bear.

As you become an alumnus, know that you're a vital part of our university family, so stay connected with your alma mater. Visit, get involved, give back, and support the next generation of students. I look forward to hearing about your achievements and seeing the contributions you'll make in the years to come.

I wish you all the best and Go Bears!

Dr. Richard "Biff" Williams
President

Order of Service

PRELUDE

Missouri State University Jazz Studies II,
Conducted by Dr. Jason Hausback

PROCESSIONAL*

Pomp and Circumstance Elgar, arr. Fischer
Missouri State University Jazz Studies II,
Conducted by Dr. Jason Hausback

Presentation of Government Excellence Award – 10:00 a.m.

GOVERNOR MIKE PARSON

Governor Parson is a veteran who served six years in the U.S. Army. He served more than 22 years in law enforcement as the sheriff of Polk County. He also served in the Missouri House of Representatives from 2005-2011, in the Missouri Senate from 2011-2017, and as Lieutenant Governor in 2017-2018. He was sworn in as Missouri's 57th Governor in 2018 and was reelected by a historic margin in 2020.

Governor Parson and First Lady Teresa live in Bolivar. Together they have two grown children and six grandchildren. He was raised on a farm in Hickory County and graduated from Wheatland High School in Wheatland, Missouri. He is a small business owner and a third generation farmer who currently owns and operates a cow and calf operation near their hometown of Bolivar. Governor Parson has a passion for sports, agriculture, Christ, and people.

Presentaion of Bronze Bear Award – 1:30 p.m.

BRYAN MAGERS

Bryan Magers is well-known and respected in the real estate development industry. His career began as a real estate agent in 1973 after serving in the U.S. Army. In 1980, he ventured into building and by 1985, he founded Bryan Properties. Today, Bryan Properties boasts an extensive portfolio comprised of developing and managing student housing, single family residences, apartment complexes, and hotels.

The impact of Magers and his family can be felt throughout Springfield including Missouri State University's campus. In 2016, Magers made a gift to help fund the outdoor courtyard plaza at the Davis-Harrington Welcome Center.

Magers also supported the building of a new medical home for Missouri State University's students, faculty, and staff which doubled the space available for patient care. To honor his parents, the facility was named the Bill and Lucille Magers Family Health and Wellness Center in 2018.

More recently, Bryan Properties gave a gift in kind through the construction of Heitz House, Missouri State's newest residence hall which opened in 2022. The 400-room building is the first public-private partnership residence hall between Missouri State and Bryan Student Housing LLC.

Not only has Magers and his family helped grow the campus, but he has also given of his time. Throughout his life, Magers has been a friend and supporter of Missouri State. He serves on the Missouri State University Board of Trustees and previously was chairman of the board. Additionally, he served on the cabinet of Onward, Upward, the university's largest fundraising campaign to date – raising more than \$274 million.

Degrees with Honors

THE HONORS COLLEGE

Some undergraduate students have chosen to pursue a more rigorous academic curriculum. They are identified by a royal blue stole. Some of these students may have pursued departmental honors as well and their major distinctions are noted here.

Shields Fleetwood Bartee
Ellie Ann Brewer
Makaylee Elizabeth Doza

Dalton Ray Dzurick
Jessica C. Jansen
Jaden T. Just

Kailey Joy Pond
Kayla Y. Thayer
with distinction in Political Science

SCHOLASTIC HONORS

Special distinction for high scholarship is awarded to certain undergraduate students as follows:

Summa cum laude (with highest honor) for those who have a grade point average of at least 3.90.

Magna cum laude (with great honor) for those who have a grade point average between 3.75 and 3.89.

Cum laude (with honor) for those who have a grade point average between 3.50 and 3.74.

The GPA is based on the lowest of the student's Missouri State cumulative GPA or the student's combined (Missouri State and transfer) cumulative GPA. Students must complete a minimum of 30 undergraduate credit hours prior to graduation at Missouri State University to be eligible for scholastic honors. Students meeting the above GPA criteria at the close of the semester immediately preceding their final semester of college work are honored at commencement ceremonies. The final eligibility of students for scholastic honors is based on credit hour totals and grade point averages at the end of the semester of graduation. Final eligibility is recorded on the University diploma and transcript.

These students are identified by a cordon worn with their academic regalia. The colors designating the honors are: *summa cum laude*, gold; *magna cum laude*, silver; *cum laude*, bronze.

Scholastic honors eligibility for candidates in the Cooperative Engineering Program is based on Missouri University of Science and Technology scholastic honors requirements.

The Academic Dress

The history of academic dress goes back to the Medieval European universities of the fourteenth century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. In the United States, colleges and universities have standardized the academic dress so that its features are common and uniform throughout the country. The standard dress in the United States is as follows:

The Gown. At Missouri State University, bachelor's degree gowns are maroon and the master's and doctoral degree gowns are black. The pattern varies with the degree held; pointed sleeves for the bachelor's degree; long, closed sleeves with a slit for the arm for the master's degree; and round, open sleeves for the doctoral degree. The doctoral gown is faced down the front with velvet and three bars across the sleeves.

The Hood. Hoods are not worn for the bachelor's degree. The master's hood is shorter than the doctoral hood and lacks the panels of the doctoral hood. Hoods are lined with the colors of the school granting the degree, while the color of the binding or edging of the hood indicates the subject in which the degree was attained. The colors designating the subject of the degree are:

Arts and Letters.....	White
Theology.....	Scarlet
Laws.....	Purple
Medicine.....	Green
Music.....	Pink
Engineering.....	Orange
Library Science.....	Lemon
Philosophy.....	Dark Blue
Science.....	Gold-Yellow
Fine Arts.....	Brown
Education.....	Light Blue
Economics.....	Copper
Physical Education.....	Sage Green
Business.....	Drab
Agriculture.....	Maize
Nursing.....	Apricot
Public Administration.....	Peacock Blue

The Cap. At Missouri State University, bachelor's degree candidates wear a maroon mortarboard.

Members of the Board of Governors are uniformly attired in Governors' robes. The gown is maroon with velvet chevrons and panels. The hood is lined with maroon and white – the colors of Missouri State University.

Academic dress markedly different from the above description indicates a degree from a foreign university.

Degrees Conferred

The University, under the authority of state law, confers the following degrees:

The *Bachelor of Applied Science* degree provides graduates of associate programs the opportunity to enhance and expand their general education and technical core competencies.

The *Bachelor of Arts* degree is designed to give a student a broad background in the liberal arts.

The *Bachelor of Fine Arts* degree is designed to provide sufficient training and experience so that the holder of the degree is qualified for professional work and/or graduate study in the fields of art or theatre.

The *Bachelor of General Studies* degree provides an interdisciplinary degree for students with broad interests and capabilities rather than a focused area of specialization.

The *Bachelor of Music* degree is designed to prepare a student for graduate study and/or as a performing artist and/or as a private teacher in the field of music.

The *Bachelor of Music Education* degree is designed for the training of music teachers.

The *Bachelor of Science* degree is designed to permit a high degree of specialization in one or more fields.

The *Doctor of Nursing Practice* degree is designed to prepare advanced practice nurses at the highest clinical level.

The *Doctor of Occupational Therapy* degree is designed to provide post-professional graduate education opportunities for currently practicing occupational therapists.

The *Doctor of Physical Therapy* degree is designed to prepare graduates to enter the profession of physical therapy.

The *Doctor of Psychology* degree is designed to train and develop clinical psychologists to meet the immense mental health challenges that our communities experience today and will continue to face in the future.

Scholarships

The Missouri State University faculty and staff take pride in recognizing the members of the graduating class who have distinguished themselves by their academic achievement and leadership. Many members of the graduating class earned academic or performance scholarships as undergraduates. Funding for many of these scholarships is made possible by alumni and friends of Missouri State University.

Photographs

In respect for the dignity of the commencement ceremony, and in accordance with the fire codes, we ask individuals to remain at their seats during the commencement ceremony. Photographers representing the news media will be permitted on the arena floor prior to the presentation of the candidates. The Grad Team graduation photography is pleased to provide this complimentary service for each graduate who crosses the dais during the commencement ceremony. Go to <http://thegradteam.com/events/> for information about commencement photographs. A link to commencement photograph proofs will also be sent to participating graduates via e-mail. Any questions can be addressed to gradteam@thegradteam.com, 833-4MY-GRAD Monday – Friday 8:00am – 6:00pm EST, or via the website <http://thegradteam.com/contact/>.

WELCOME TO THE MSU ALUMNI ASSOCIATION!

Congratulations on your graduation!

You are now part of a global network of over 150,000 Missouri State graduates worldwide.

The Missouri State Alumni Association provides opportunities for YOU to continue your Bear journey through young alumni programming, alumni chapter events, Homecoming activities, reunions and much more.

As you embark on your next chapter, know that your Bear Family is always close by. Keep both your mailing address and email up to date to stay informed about alumni events in your local area. Take advantage of connecting with fellow alumni to support your career goals and collectively make a difference in the world!

Explore how you can get connected with alumni events and more: Alumni.MissouriState.edu

STAY CONNECTED

Connect with Bears in your area! Scan the QR code to register for events with fellow Bears.

Watch for your welcome email coming soon from the Alumni & Friends Online Community!
