MCL 297 Intermediate Studies in a Foreign Language. 1-6, D.

MCL 397 Advanced Studies in a Foreign Language. 1-6, D.

MCL 497 Superior Studies in a Foreign Language. 1-6, D.

Course Change or Deletion

CHI 215 Business and Professional Chinese. 3(3-0) D. Change course number to CHI 315.

COLLEGE OF BUSINESS ADMINISTRATION

College of Business Administration

Program Change or Deletion

Globalization Requirements. Adds new course MKT 464 as an alternative to the existing Globalization requirement.

Finance & General Business

Course Change or Deletion

FGB 386 (306) Financial Analysis. 2(2-0) F,S. Increase in credit hours from two to three.

Program Changes or Deletions

Insurance and Risk Management Major. Change in program name to “Risk Management and Insurance.” RIL 350(3) has been proposed to be added to the “complete five additional hours from...” area.

Insurance Minor. Change in minor name to include “Risk Management and” in front of the current title, “Insurance.” FGB 150(3) has replaced FGB 381(3) as a choice against FGB 1315(3) in the “Required Courses” area. RIL 350(3) has been added as a choice within the “Complete six additional hours from the following” area.

Finance, Comprehensive Major. FGB/RIL courses from the COBA Core have been listed in the major requirements, as they might appear to be hidden prerequisites for other courses offered in

the FGB Department. The choice between FGB 384(3) and ECO 305(3) has been removed. RIL 350(3) has been added to the finance option as a recommended elective. RIL 350(3) has been added to the real estate option as part of the “complete five additional hours from the following...” area. RIL 266(3) has been moved from section C.1. to C.2.a.1 and C.2.b.1 to provide flexibility for the financial planning option that is being proposed.

General Business Minor. RIL 350(3) and RIL 531(3) are being added as choices in the “complete six additional hours from...” category.

General Business, Comprehensive Major. The lines in C3 have been modified to reflect the major level or higher. The international line was added; the banking line was deleted. Courses in key areas were added within various lines to broaden the program offerings, but were spread across several lines to maintain the general nature of the degree. The Risk Management and Insurance line title is changed to reflect the proposed name of that major.

Legal Studies Minor. Title is being changed to “Legal Studies in Business.” The footnote has been replaced by parts 1 and 2 and expanded to indicate that at least six hours in the “complete 12 additional hours...” area must come from inside COBA. RIL 350(3) is being added to the list of courses in the “choose 12 hours...” area.

Marketing

New Course

MKT 464 International Logistics and Global Supply Chain Management. 3 (3-0) F.

Course Change or Deletion

QBA 337 (CIS) Applied Business Statistics. 3(3-0) F,S. Change in prerequisite to add “MTH 135 or higher (excluding MTH 145).”

Program Changes or Deletions

Logistics and Supply Chain Management, Comprehensive Major. Add new course MKT 464 as an alternative to the existing MKT 474.

Logistics and Supply Chain Management Minor. Add new course MKT 464 as an elective along with changing MGT 367 and MKT 460 to elective.

Marketing, Comprehensive Major. Add new course MKT 464 as an alternative to the existing MKT 474.

Advertising and Promotion Minor. Change in optional requirements for advertising and promotion minors to allow greater flexibility for students to choose the courses which best fit their career interests.

International Marketing Minor. Add new course MKT 464 and ECO and ACC electives.

Marketing, Comprehensive Major, Advertising and Promotion. Change in optional requirements for advertising and promotion majors.

Nursing

Course Change or Deletion

NUR 610 Nursing Case Management 3(3-0), D. Delete course.

Sociology, Anthropology & Criminology

Program Change or Deletion

Master of Science in Criminology. To clarify that GRE scores are required for all students requesting admission to the program. Since GRE scores will be required for all students, it makes no sense to differentiate in the requirements between those having a degree from accredited and non-accredited colleges and universities. Also, we want the discretion to waive the admission criteria if extraneous factors, such as extensive work experience or a high GPA coupled with lower GRE scores, justify that decision.
