Type of population with which students would be working (e.g., adults, adolescents, children, physically challenged, cognitively challenged, etc.):

Ages range from 12-55, all ethnic and socioeconomic backgrounds; may include physically and cognitively challenged

Our Students

Undergraduates

Our undergraduate students typically are juniors and seniors with 17-35 credit hours in Psychology. There are exceptions. If you have any special requirements for students who apply at your practicum site, please describe them.

Requirements include completing an application, obtaining background check (fee involved), and attending training onsite or viewing videos of most recent training.

Graduate Students

Our graduate students are students at the end of their first year or some time during their second year in the clinical track of our graduate psychology program. These students need direct service contact with clients, and also need weekly supervision from a licensed mental health professional. Is your site interested in working with our graduate students?

NA

Hours, Pay, and Commitment

Days and time of days on which you need practicum students:

Is this a paid practicum? Yes _____ No XX

If yes, what is pay rate? _____

What length of commitment (e.g., semester, three months, six months), do you expect from the student?

A minimum of one semester

Application Process

What is the preferred application process?

Filling out the online volunteer application that is available at www.417pcc.org

Please provide any other information that would be useful in helping our students to make more informed choices.

Thank You!

Revised December 9, 2017

Thank you for your help in working with our students.
