

Missouri State University Greek Week 2025
Monday, March 31st - Saturday, April 5th
Updated: January 20th , 2025

Members of the Fraternity and Sorority Life Community,

Missouri State University's annual Greek Week has finally arrived! The 2025 Greek Week committee worked diligently these past few months on this packet and will continue to work hard to bring you the best Greek Week we can. This packet will be your go-to source for everything leading up to and during the week. We hope everything is laid out for you to easily understand. We have changed many significant parts, so we ask you to **CAREFULLY READ** all sections of the packet to ensure effective planning and preparation for every event.

This year, the theme will be a road trip cross American states and cities, titled "**A Greek Getaway: Cruisin' Towards New Adventures**". We believe this theme allows every chapter to showcase their creativity and unify our strong community. We are excited to see how our community can take something extensive and make it our own to represent Missouri State University and Fraternity and Sorority Life in the best light possible.

While we encourage everyone to attend and participate in as many of our events as possible, it is more important to put academics above Greek Week. **Skipping class for a Greek Week event is absolutely unacceptable. If a person is found skipping class to participate in a Greek Week event, it could result in a penalty to their team.** Part of Greek Week is showcasing how outstanding our community is; this includes attending classes and excelling academically. As a Fraternity and Sorority community, we should set the standard of excellence when it comes to academics. To do so, we must always have balance during Greek Week and put academics first.

Packet information, event information, and deadlines can be found in the following pages. This is your **primary source** for all information pertaining to Greek Week this year. We will be posting regularly about events and deadlines on our Instagram page (@MoStateGreekWeek) so we encourage you to follow for essential updates. The deadlines for all packet information is located on page 4, unless otherwise specified. If you have any questions, please feel free to contact us at your earliest convenience.

The committee and Office of Student Engagement are doing their best to plan the best Greek Week yet! Keep in mind that the Office of Student Engagement and the Greek Week Committee reserve the right to reapprove or alter anything throughout the week/packet if deemed necessary.

Sincerely,

Emma Sollors

General Guidelines

1. All questions and communication about Greek Week events should be sent to the appropriate Greek Week Committee members via email. All contact information is available on page 3 and on the event pages. Requests via text message, GroupMe, DMs, etc. will not receive a response. Presidents and liaisons are the only members allowed to be communicating on behalf of the chapters to Greek Week Committee.
2. All forms will be due on the designated BearLink form on the day and time listed. The forms can be found on BearLink on the Fraternity & Sorority Life organization page underneath the forms tab. Forms and due dates can also be found in this packet under Greek Week Important Dates starting on page 4. Feel free to reach out to the Greek Week Advisor or the Directors with questions.
3. All participants must be an active or new member of a recognized chapter at Missouri State University. Participants must be listed on the chapter roster to participate in any event. Participants must be in good standing at the University and their chapter.
4. Points will be determined based upon the percentage of active and new members in attendance that are on each chapter's roster and present at the requested check in times. Attendance will be taken using the Modern Campus Involve app, all students should download this app to their mobile device and log in with their MyMissouriState login. Any student at an event without their Modern Campus Involve QR code will not be considered for points. If it is determined that a team's check-in has been falsified, that team will be disqualified from the event.
5. All events begin promptly at the scheduled time. It is advised that participants appear at the designated check-in time. Failure for a team to show up for a scheduled event will result in a loss of all points possible for that event. If a participant fails to appear, he or she will be disqualified from the event.
6. Cancellation or postponement of an event due to weather or other circumstances is at the discretion of the Greek Week Advisor, FSL Advisor(s), and/or the Office of Student Engagement. Notice of such cancellations or postponements will be made directly to each chapter Greek Week Liaison(s) and via email and social media. If no notice is given, each team is to assume the event will still occur.

7. The chosen judges for all events will be the primary judges. ALL JUDGE'S DECISIONS ARE FINAL. If you have questions about a rule or need further interpretation of a rule, please ask and contact the Greek Week Advisor or FSL Advisor(s).
8. The Greek Week Advisor, FSL Advisor(s), and the Office of Student Engagement reserve the right to deduct points, disqualify teams, or alter the rules at any time. All teams will be notified via email of any and all changes at the earliest possible time.
9. Any attempt to represent or mock a culture, ethnicity, race, sex, religion, sexual orientation, gender identity, disability, or socio-economic class through appearance, actions, or language will not be tolerated. Violations of this guideline will be left to the discretion of the Greek Week Directors, FSL Advisor(s), and the Office of Student Engagement. Failure to comply could result in disqualification from the named event, or removal from participation in Greek Week as a whole.
10. Any unsportsmanlike or inappropriate behavior against Fraternity and Sorority Life at MSU, as viewed by the Greek Week Committee and the Office of Student Engagement may result in loss of points, disqualification from the named event, or removal from participation in Greek Week as a whole.
11. A strike system will be implemented for the breaking of a packet guideline or rule, or inappropriate behavior deemed by the Greek Week Committee, Advisor, or Fraternity and Sorority Advisor(s).

First Strike: Warning to the liaison and chapter president

Second Strike: Deduction of 15 points from total points. Chapter president and liaison will be notified via email.

Third Strike: Disqualification from determined event or from Greek Week entirely. Chapter President and liaison will be notified via email.

*If a chapter's behavior is severely inappropriate, a third strike will automatically be given regardless of previous strikes.

Examples of reasons for a strike include but are not limited to: Yelling in an unsportsmanlike manner at a committee member, staff member, directors, advisor(s), or another member of the community; any other unsportsmanlike behavior; arriving outside of your allotted time for events such as Greek Jam; leaving events before event dismissal; inappropriate social media posts; rules or guidelines being blatantly disregarded.

Greek Week Alcohol and Substance Policy

1. All fraternity and sorority members participating in Greek Week 2025 shall understand that all activities relating to Greek Week are to not involve the possession or consumption of alcohol, tobacco, marijuana, or illegal substances. The Greek Week Committee and the Office of Student Engagement have a ZERO TOLERANCE POLICY for all events concerning Greek Week for any fraternity and sorority member, regardless of age.
2. Anyone suspected of being under the influence will be asked to leave and their attendance will not be counted. If there are no points associated with the event, consequences will be administered at the discretion of the Greek Week Advisor and FSL Advisor(s). Consequences could include but are not limited to a deduction of overall points for the week, disqualification of the entire team from the event in question, disqualification of the entire team from all Greek Week events, etc. In the event that a member of a Greek Week team is cited for a violation of the alcohol and substance policy as stated above, the team's chapter presidents and chapter advisors will be notified via email.
3. Greek Week Teams will be subject to disqualification if:
 - Alcohol is consumed by any member of the FSL community at any Greek Week event, to begin on Monday, March 31st, 2025 and will end on Saturday, April 5th, 2025.
 - Any member attends a Greek Week event under the influence of alcohol, marijuana, and/or illegal substances.
 - Any member is in possession of alcohol, tobacco, marijuana, or other illegal substances at any Greek Week event.
 - Any member who uses an electronic cigarette, or anything similar, at any Greek Week event or in event facilities.
 - Any member is observed or cited by law enforcement officials for any alcohol or illegal controlled substances violation at any Greek Week event.
4. All members of the approved chapter roster are to be held responsible for the above chapter policies.

Spirit Stick Opportunities

Teams will have the opportunity to earn spirit sticks at various events. The spirit stick represents a 10-point bonus added to the total score. Two to three spirit sticks will be handed out at chosen events. The best way to earn a spirit stick is to show your team spirit at each event. Cheering for your team members participating in the event is encouraged. The spirit stick winners will be announced at the end of each event. The team will be responsible for returning the spirit stick to the Unaffiliated Points Coordinator at the beginning of the event on the following day. If the team does not return the spirit stick, there will be a 10-point deduction. Teams are allowed to decorate their spirit stick to leave their mark. This is not a requirement. Teams who use derogatory language or exhibit unsportsmanlike conduct will be ineligible to win a spirit stick. Teams who have received a strike at any time throughout the week will not be considered for this opportunity. Teams can receive more than one spirit stick throughout the week.
