 - a. I would encourage you guys to sign up for a timeslot for Allison Cavato's thing. I would have been hesitant last year too, but I know a lot of you guys are wanting better recruitment this year, so I would do it. I'm not saying this because I've been asked to, I honestly think it would help the community. If you're camera shy, have your recruitment chair do it or something.  - b. Please continue to schedule 1:1s with me, I've only had 7 scheduled, I need 9 more of you to schedule one. These are really just for me to gauge how the entire community is doing, because obviously we all have different issues and different strengths. Please try and schedule those soon if you haven't already. Link: <https://calendly.com/cbh6s/president-1-1s-spring-24>
 - c. There will be a Narcan training, as Mitchell mentioned, on March 7 at 2pm in PSU 314. This is actually a really worthwhile training, especially before Spring Break. You get free Narcan as well, which is typically fairly expensive. If you don't have class, I would highly recommend going.
