PRESIDENT WILLIAMS' INAUGURATION

On Thursday, October 17th the MSU Board of Governors will hold the inauguration of our 12th president, Biff Williams, from 4p-5p at Juanita K. Hammons Hall. All are invited!

The term "inauguration," when used in a university setting, refers to a series of events planned in celebration of the installation of a new president. The "installation" is the actual moment the new president assumes the insignia of office, which for Missouri State University, it is the presentation of a medallion known as "the chain of office." On it, are engraved tabs representing the previous 11 presidents.
