IMPORTANT

There are only 2 IN-PERSON GROUP CONNECTS left this semester. In-person Group Connects have a limited number of seating available at each one. It is very important that you sign up ahead of time.

Scholar's Choice Options

Due to the growing number of scholars who are 100% online students, we are offering some virtual options for Group Connects/Events this semester.

There are 3 opportunities in the month of November that will count as EITHER an event OR a group connect. Please see the November Events flyer below for those events on November 4th, 15th, and 19th. The zoom link for each of these events is: <https://rb.gy/hbcijr>.

I-on-I Meetings

All scholars have been evaluated by the IES Support Staff to determine who might potentially be "in danger" of losing their scholarship. There are several factors that go into making this decision. Those scholars that fall into that category will be notified individually this week to schedule a mandatory I-on-I meeting. Bears Lead students may meet with their Bears Lead advisor. Students may also set up an appointment with a Success Coach in the Center for Academic Success & Transition. Scholars are also welcome to schedule an appointment with Drs. Rabekah Stewart or Nina Barudzic.
