IMPORTANT REMINDER!

Just a gentle reminder that the majority of Student Activities Council (SAC) events DO NOT count towards program requirements. The SAC events, and all other events reflected directly on the IES Monthly Events Calendar in Brightspace are all approved events.

Prepping for Advising Event

This week there is a Prepping for Advising event being held at various times on Tuesday, September 17th. Space is limited for this event so you MUST SIGN UP to be able to attend this event. Go to linktr.ee/BearsLEAD and click on the "Prepping for Advising - Sign Up" button to choose which session you would like to attend.

At this event you will learn how to prepare for your academic advising appointment and how to register for the Spring Semester!

Save The Date

On Thursday, October 17th the MSU Board of Governors will hold the inauguration of our 12th president, Biff Williams, from 4p-5p at Juanita K. Hammons Hall. All are invited!

The term "inauguration," when used in a university setting, refers to a series of events planned in celebration of the installation of a new president. The "installation" is the actual moment the new president assumes the insignia of office, which for Missouri State University, it is the presentation of a medallion known as "the chain of office." On it, are engraved tabs representing the previous 11 presidents.

Group Connect on Wednesday

The Group Connect this week will be from 3p-4p in PSU 308 and the topic is Social Media Branding. Learn the dos and don'ts of personal branding on social media.

If you haven't registered for this GC, please do so at: givepul.se/1hpo0r.
