President & Students Inclusivity Discussion

Every semester the President of MSU conducts a discussion with students on inclusivity. This semester's President & Students Inclusivity Discussion will be held on Wednesday, October 2nd from 3:30p-5:00p in the PSU Union Club. Join in the interactive discussion with President Williams and your peers!

BearLink App

Just a reminder, we are using the Modern Campus Involve (BearLink) app to collect attendance at all multicultural or MRC-sponsored events, Bears Lead monthly meetings, and all IES Group Connects. Please have this app downloaded and ready to present for sign-in.

SOAR Leader Application

Do you want to become a SOAR Leader? SOAR leaders host groups of new first-year students and their family members and educate them about campus resources and student life to help set them up for success at Missouri State University. SOAR leaders are essential to the Missouri State community. They help students feel more comfortable on campus, more confident about their ability to succeed and most importantly; more connected.

For more information and to apply, go to: linktr.ee/MSUnewbears.
