This document was prepared by the MSU Academic Advising and Transfer Center in conjunction with MSU's Clinical Laboratory Sciences-Medical Technology Advisor on November 16, 2023 and is subject to change. This information is provided as a guide. Students are required to fulfill MSU graduation requirements to receive a degree and should consult their MSU departmental advisors and the MSU undergraduate catalog for details, including the policy under which a transfer student who remains continuously enrolled may follow MSU graduation requirements in effect when the student first enrolled at their transfer institution (OTC).
