This document was prepared by the MSU Academic Advising and Transfer Center in conjunction with MSU's Geospatial Sciences Advisor on November 6, 2023 and is subject to change. This information is provided as a guide. Students are required to fulfill MSU graduation requirements to receive a degree and should consult their MSU departmental advisors and the MSU undergraduate catalog for details, including the policy under which a transfer student who remains continuously enrolled may follow MSU graduation requirements in effect when the student first enrolled at their transfer institution (OTC).
